

COME AND VISIT US ON STAND **6D205**

We're incredibly proud to announce that we'll be exhibiting at this year's IMHX show!

IMHX is the UK's largest materials handling expo, and **we would like to invite you to come and visit us on our stand 6D205**, we promise, you won't want to miss us.

We'll have our regular product offerings on display, as well as showcasing our latest product innovations, including; Lithium-Ion battery solutions, MD LOADmanagement (which we'll have an interactive demonstration area for) and the world's first Resonant Frequency battery charger.

So, if you're planning a visit then come and say hello. We can't wait to see you there.
